

Sales Trainee Resourcer / Consultant's Wanted

We are currently recruiting trainees to join our team of experienced Oil, Gas Energy and Marine recruitment Resourcers & consultants in Brentwood, and benefit from the extensive training we provide. Working from our office, we operate a fast paced, highly successful Oil and Gas recruitment company. This success has led to our need to expand our well-trained team.

What we are looking for:

Extremely motivated individuals, with a good work ethic

Preferably with previous sales experience

Ability to work in a team, in a high-energy environment

A willingness to learn new skills and product knowledge

Well presented, smartly dressed individuals

The position will involve phone-based contact with individuals looking for work. A confident, articulate manner is therefore essential in your communication with these people. Highly skilled applicants will quickly progress within the company, leading to portfolio management and a personal client base.

What we provide:

Opportunity for fast progression within the Oil, Gas Energy and Marine industry

In-depth sales training

Basic Salary + Commission

If you feel this is something you may be suited for then please send us your CV or call the office on the details below.
